EHDOC's Senior Relief Fund was established to provide financial assistance and support to low-income seniors of EHDOC communities who face unforeseen financial hardship; enabling them to continue to live independently in safe quality housing. Funds are used for first month rental assistance, subsidize very low-income seniors to qualify for housing, improve underfunded HUD 202's and improve the quality of life for seniors. EHDOC residents also donate funds to assist other seniors across the country in natural disasters for meals, bottled water, transportation for medical treatment and for other home essentials.
